IN THE MORNING

Mary Magdalene has a wonderful friend called Jesus.

Everywhere Jesus goes, special things happen. There are picnics by the lake, and stories on the mountainside. Everyone stops work to listen to Jesus.

Children come running, pit-pat, pit-pat, through the streets and out of the town to be blessed by Jesus.

Jesus always has time for every one.

Everywhere Jesus goes, there are smiling faces.

Peter and John, the fishermen, pull in their fishing nets with a *heave ho!*

'Look how many fish Jesus has helped us catch!' they shout to each other.

A man who couldn't walk rolls up his mat and steps out left-right, left-right, through the streets, and out of the town, telling everyone he meets, 'Jesus has made me well!'
